“Reconditioned-Second-hand”, or “Rebuilt-Second-hand”, as the case may be.

### § 301.24 Repairing, restyling and remodeling fur products for consumer.

When fur products owned by and to be returned to the ultimate-consumer are repaired, restyled or remodeled and used fur or fur is added thereto, labeling of the fur product shall not be required. However, the person adding such used fur or fur to the fur product, or who is responsible therefor, shall give to the owner an invoice disclosing the information required under the act and regulations respecting the used fur or fur added to the fur product, subject, however, to the provisions of § 301.14 of this part as to country of origin requirements.

### § 301.25 Name required to appear on labels and invoices.

The name required by the act to be used on labels and invoices shall be the full name under which the person is doing business, and no trade-mark, trade name nor other name which does not constitute such full name shall be used in lieu thereof.

### § 301.26 Registered identification numbers.

(a) Registered numbers for use as the required identification in lieu of the name on fur product labels as provided in section 4(2)(E) of the act will be issued by the Commission to qualified persons residing in the United States upon receipt of an application duly executed in the form set out in paragraph (d) of this section.

(b)(1) Registered identification numbers shall be used only by the person or concern to whom they are issued, and such numbers are not transferable or assignable.

(2) Registered identification numbers shall be subject to cancellation if the Federal Trade Commission fails to receive prompt notification of any change in name, business address, or legal business status of a person or firm to whom a registered identification number has been assigned, by application duly executed in the form set out in paragraph (d) of this section, re-

flecting the current name, business address, and legal business status of the person or firm.

(3) Registered identification numbers shall be subject to cancellation whenever any such number was procured or has been used improperly or contrary to the requirements of the act and regulations, or when otherwise deemed necessary in the public interest.

(c) Registered identification numbers assigned under this rule may be used on labels required in labeling products subject to the provisions of the Wool Products Labeling Act and Textile Fiber Products Identification Act, and numbers previously assigned or to be assigned by the Commission under such Acts may be used as and for the required name in labeling under this Act. When so used by the person or firm to whom assigned, the use of the numbers shall be construed as identifying and binding the applicant as fully and in all respects as though assigned under the specific Act for which it is used.

(d) The form to apply for a registered identification number or to update information pertaining to an existing number is found in § 303.20(d) of this chapter. The form is available upon request from the Textile Section, Enforcement Division, Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580, or on the Internet at <http://www.ftc.gov>.
